## **Helping Hands Project Organization Warns Against Scam Involving False Donations**

Everett, WA 04/20/2023 – Helping Hands Project Organization (HHPO) has become aware of a recent scam involving false donations. The scam involves an individual claiming to represent HHPO and collecting funds for magazine subscriptions for certain shelters and non-profit groups in Seattle.

HHPO would like to clarify that this is not a program affiliated with our organization. We do not accept donations for magazine subscriptions, nor do we collect funds through Zelle. All donations to HHPO are securely processed through our qqiv portal at <https://secure.qqiv.com/for/hhpo/>.

HHPO urges the public to be cautious of anyone claiming to represent our organization without official identification. We also advise that individuals do not donate to anyone claiming to collect funds for HHPO without verifying the legitimacy of the person and the program.

HHPO is committed to ensuring the safety and security of all donations made to our organization. We appreciate the community's support in helping us combat this scam and protect our reputation.
